## COMMUNICATION

This is in response to the Office Action of 12 March  
2003.

## REMARKS

Applicant respectfully requests reconsideration of the  
several grounds of rejection contained in the Office Action.

In this case, which was withdrawn from appeal and in  
which there have been prior rejections on art and under 35 USC 112,  
first and second paragraphs, the Examiner has issued still another  
Office Action raising new issues under the first and second para-  
graphs of 35 USC 112 and a new ground of rejection under 35 USC  
103.

In order to prepare this case for renewal of the appeal,  
the following clarifications are provided:

1. The Examiner has stated "It is unclear from the  
specification what the function of the display 40 is." According  
to the specification the microcomputer, processor or computer unit
